Account closure request

Hi there, just following up on my request to give notice to close my Impact account and for the subscription not to be renewed for next year. Can you confirm that has been actioned? We are currently in process of moving our affiliates off the platform.

831780 - ticket says that they needed to confirm if they wanted to confirm both program or just one - but chats says they will no longer be with Impact so odd that she wanted clarity.

Hi Lauren,

Thanks for reaching out.

I can see that an agent previously responded to your query on the related ticket; however, it appears that the ticket has since been closed.

Could you please confirm whether you would like to close only the Performance Program (#16404), or if you would also like to close the Creator Program (#35149) as well?

I'm assuming you would like both programs to be closed, but I'd like to confirm before proceeding.

Thank you, and I look forward to your confirmation.

Kind regards,
